COLLEGE BOARD AP BIOLOGY - COURSE FRAMEWORK

Oakridge High School Science Department | Instructor: Sophia Martinez, M.Ed.

Course Overview & Unit Distribution

Unit 1: Chemistry of Life (8-11% Exam Weighting)
Unit 2: Cell Structure and Function (10-13% Exam Weighting)
Unit 3: Cellular Energetics (Photosynthesis & Respiration) (12-16% Exam Weighting)
Unit 4: Cell Communication and Cell Cycle (10-15% Exam Weighting)
Unit 5: Heredity & Mendelian Genetics (8-11% Exam Weighting)

Laboratory Requirements & Mandatory Inquiry Experiments

- Minimum 25% of instructional time devoted to hands-on, student-led laboratory work.
- Mandatory Investigation: Gel Electrophoresis & Restriction Enzyme DNA Analysis.
- Lab safety goggles and non-latex gloves mandatory for all wet chemical procedures.
